Faustus Legacy Ranch has been hosting many fundraising events such as a breast cancer marathon, childhelp toy drive, classical riding clinics, classical riding exhibitions, and the grand opening of the ranch welcomed more than one hundred guests.

Two new events are scheduled already for 2011. They will be the Arizonian Friesian Club Association meeting on March 27, 2011, and on April 16, we will welcome Bruce Griffin from www.Griffinsporthorses.com. This clinic is to prepare the Friesian owners to present their gorgeous black pearls to the world judges who will give them their ranking in the Friesian breed. This presentation is called a keuring and it is very strict. If you wish to know more about the judging look online at www.Fhana.com

We are very happy to see little faces of children lit up when they come to Faustus Legacy Ranch. They cannot get enough of those beautiful black beauties. Faustus smiles all he can when he sees them coming, hoping to get a carrot or a cookie. Right now, Faustus, Cadence and Michele
